Detailed Action

Page 2

An examiner's amendment to the record appears below. Should the changes and/or

additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR

1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the

payment of the issue fee.

The application has been amended as follows:

Claims 16 through 26 have been canceled.

The following is an examiner's statement of reasons for allowance: While the prior art

teaches the generating of a wafer level burn-in testing involving BIST and storing the current

number of failures, but fails to teach the repeating the cycle for at least one additional cycle of

burn-in testing and reading each time stamp and the current number of failures associated with

the time stamp for each at least one additional cycle

Any comments considered necessary by applicant must be submitted no later than the

payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for

Allowance."

Allowable Subject Matter

Claims #1 through 15 are allowed.

Art Unit: 2812

Claim #1

Repeating the foregoing for at least one additional cycle of burn-in testing and reading each time stamp and the current number of failures associated with the time stamp for each at least one additional cycle.

Claim #9

> Reading wafer level burn-in reliability data stored in the nonvolatile elements.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866 – 217 – 9197 (toll-free).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andre C. Stevenson whose telephone number is (571) 272 1683. The examiner can normally be reached on Monday through Friday from 8:00 am to 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John Niebling, can be reached on (571) 272 1683. The fax phone number for the organization where this application or proceeding is assigned is (703) 308 7724.
